

**Whisper quiet—yet powerful.
Durable—yet lightweight.**

Introducing ...

The CX1000 Battery Powered Electric Nozzle

The CX1000 has a huge performance advantage over traditional electric and turbine nozzles. The impeller fan pushes air toward the hose, while the central vacuum suction pulls air through the hose, creating a "push and pull" boost to cleaning power. Features include:

- 44 Volt Lithium Ion Battery with 60 minutes of run time
- Charge time: 2 hours
- Ultra-bright LED headlight illuminates your cleaning path
- Squeegee for bare floor cleaning
- Unique bottom plate ensures easy operation on all carpet types
- Rubber wheels and bumper protect furniture and baseboards
- Chrome steel handle tube works with Hide-A-Hose "Ready Grip Handles"
- 4 year warranty on vacuum, 2 year warranty on battery
- Weight: 11 pounds, Color: White
- Manufactured by Tacony Corp. St. James, Missouri
